

## **Aida Amini**

### **1. What experience do you have in finance?**

While I come from an insurance background, I have worked extensively with financial documentation, client accounts, and administrative reporting. These experiences have helped me develop a strong eye for detail and an understanding of financial operations in professional settings.

### **2. What is your level of proficiency in Excel?**

I hold an ICDL certification and am proficient in Microsoft Excel. I am comfortable using formulas, pivot tables, charts, and data organization tools, and I'm eager to continue learning more advanced functions.

### **3. What is your level of expertise in budgeting and financial statements?**

Although I have not formally managed budgets or prepared full financial statements, I have experience supporting financial processes and understand the importance of tracking income, expenses, and performance. I'm confident that with training and guidance, I can quickly build on this foundation and contribute effectively as VP Finance
